SAGE Publications Inc. Paperback. Book Condition: new. BRAND NEW, Academic Language in Diverse Classrooms: English Language Arts, Grades 3-5: Promoting Content and Language Learning, Margo H. Gottlieb, Gisela Ernst-Slavit, Increasingly as important to educators as the Common Core State Standards, the new national anchor for curriculum, instruction and assessment have set a high bar of rigorous and challenging content. While most educational researchers and practitioners agree that that mastery of academic language is the key to students' academic success, many teachers are not well-versed in its major components and need to learn how to integrate them into curriculum and instructional assessment. One of a seven book series, this text gives guidance to educators in how to target academic language in planning for student learning for grades 3-5. It provides a concise, logical, and practical approach to identifying grade-level academic language associated with the Common Core State Standards for English Language Arts, academic content standards, as well as English Language Proficiency Standard, to readily incorporate into teaching and learning.
