WORLDS ENTWINED F1: A COLLECTION OF SHORT STORIES AND SNIPPETS BY THE WRITERS OF AUTHORAUTOR (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.AuthorAuthor is a writers group based on Facebook, created and moderated by Martin van Houwelingen since 2014. As we all live in different parts of the world, we therefore have never met. Some of us have published, some of us have not, some have years of writing experience, some are just beginning. But all of us found we shared something special, a love for writing stories. Dividing writers by genre alone, we set our goal on publishing cheap and affordable books with short stories and story snippets in that selected genre in an effort to get read and recognized. None of us is getting paid and everything is strictly on volunteer basis. If you are a writer, an editor or cover artist and want to join us, then feel free to do so. The more people we find, the more books we will be able to publish and the more exposure we all will find. //.
