Alfred Music, 2008. Paperback. Condition: New. Language: English . Brand New Book. The Elephant and the Mouse is a short piece based on an old story about how these 2 creatures that persisted at being angry. This anger stemmed from that fact that both these characters were terrified of one another. To try and work out their differences the Elephant and the Mouse try this little dance together, but it seems so ridiculous and so difficult that they give up and return to being angry.
