A Multicultural View of Infidelity, Domestic Violence, State Intervention, and Parenting. *Humbling and Humility* narrates a triumph of truth, a victory of peace in the midst of turmoil, and a dawn of enlightenment in the darkness of familial and cultural conflict. Discovering pathways of non-violence, tolerance, and accommodation, he applies renewed learning to assist other such families in distress, who find non-litigious and selfless means to resolve differences. He finds a measure of peace, in the very act of documenting his struggle, and...
