## PRINCE (WISEHOUSE CLASSICS EDITION) (PAPERBACK)

Wisehouse Classics, 2015. Paperback. Condition: New. Language: English . Brand New Book. THE PRINCE (Italian: Il Principe) is a 16th-century political treatise by the Italian diplomat and political theorist Niccolò Machiavelli. From correspondence a version appears to have been distributed in 1513, using a Latin title, *De Principatibus* (About Principalities). However, the printed version was not published until 1532, five years after Machiavelli's death. This was done with the permission of the Medici pope Clement VII, but long before then, in fact since the first appearance of the Prince in manuscript, controversy had swirled about his writings. Although it was written as if it were a traditional work in the mirrors for princes style, it is generally agreed that it was especially innovative. THE PRINCE is sometimes claimed to be one of the first works of modern philosophy, especially modern political philosophy, in which the effective truth is taken to be more important than any abstract ideal. It was also in direct conflict with the dominant Catholic and scholastic doctrines of the time concerning how to consider politics and ethics. Although it is relatively short, the treatise is the most remembered of Machiavelli's works and the one most responsible for bringing the word Machiavellian into usage as a pejorative. It also helped make Old Nick an English term for the devil, and even contributed to the modern negative connotations of the words politics and politician in western countries. In terms of subject matter it overlaps with the much longer *Discourses on Livy*, which was written a few years later. In its use...
