

Walled Kitchen Gardens (Paperback)

By Susan Campbell

Bloomsbury Publishing PLC, United Kingdom, 2008. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. Walled kitchen gardens were found in the grounds of most large country houses in Britain and Ireland. They were designed to provide a continual supply of fruit, flowers and vegetables. With the aide of heated glasshouses, there would be out-of-season delicacies such as strawberries for Christmas, exotic tropical fruits, figs and grapes. The remains of these gardens can still be seen, some converted to other uses, some simply abandoned; a few have been restored to their previous productiveness. This book examines the history of these old kitchen gardens in the light of what might be seen there today.
