

State and Nonstate Associated Gangs: Credible Midwives of New Social Orders

By Max G Manwaring

Bibliogov, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.The monograph examines contemporary populism and neopopulism, 21st century socialism, and a nonstate actor (al-Qaeda) seeking regional and global hegemony. They are: first, paramilitary gang permutations in Colombia that are contributing significantly to the erosion of the Colombian state and its democratic institutions, and implementing the anti-system objectives of their elite neo-populist sponsors; second, Hugo Chavez s use of the New Socialism and popular militias to facilitate his populist Bolivarian dream of creating a mega-state in Latin America; and, third, al-Qaeda s strategic and hegemonic use of political-criminal gangs to coerce substantive change in Spanish and other Western European foreign and defense policy and governance. Lessons derived from these cases demonstrate how gangs might fit into a holistic effort to force radical political-social-economic change, and illustrate how traditional political-military objectives may be achieved indirectly, rather than directly.

Reviews

This is basically the very best publication i actually have go through until now. It really is loaded with knowledge and wisdom I realized this publication from my i and dad encouraged this publication to discover.

-- **Bryana Klocko III**

A brand new electronic book with a new standpoint. It is writter in basic phrases rather than confusing. Its been designed in an extremely basic way which is merely right after i finished reading through this publication where basically altered me, change the way i believe.
