Without doubt, this is actually the greatest work by any writer. It is actually written in simple terms instead of confusing. I found out this ebook from my i and dad recommended this pdf to understand.

Brand New Book ***** Print on Demand *****.The first three stories in the Virgin Chronicles are here together in one extra value volume: *Virginity for Sale*. Nineteen year old student Kirsty was broke and didn't know how she was going to pay the rent. She did, however, have two things going for her, as her best friend was keen to point out. She was absolutely stunning for a start and she was also - somehow - still a virgin. With her repulsive landlord making unreasonable demands for the rent arrears, the girls hatch a plan to sell her cherry. More *Virginity For Sale*. Kirsty sold her virginity to the highest bidder, without realising what a game changer it was going to be. Now she had a weekend ahead of her at the carnal whim of two couples- all 4 of them were going to use Kirsty to suit their own personal taste and that meant a lot of variety! She arrived as a girl but would definitely be leaving a woman. Another *Virginity For Sale*. Teenage college girl Kirsty auctioned her virginity and lost in a debauched weekend that left her very sore and half a million pounds better off. Now her new lovers, middle-aged millionaires Grant and Elizabeth want more of her but only if she brings them a new virgin for deflowering. Kirsty knew just the girl and quickly went to work on gorgeous Indian girl, Neeta.
