Start Publishing Notes, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.PLEASE NOTE: This is a key takeaways and analysis of the book and NOT the original book. Start Publishing Notes Summary, Analysis, and Review of Summary, Analysis, and Review of Timothy Ferriss s The 4-Hour Workweek includes a summary of the book, review, analysis key takeaways, and detailed About the Author section. PREVIEW: The 4-Hour Workweek is self-help guru and entrepreneur Tim Ferriss s first entry into the genre. Published in 2007, the book offers an alternative to the monotonous nine-to-five, forty-hour workweek in which many Americans have found themselves. Ferriss begins The 4-Hour Workweek by emphasizing that anyone-regardless of education, privilege, or age-can put his methodology to use in order to achieve the sort of leisured, mobile lifestyle he enjoys. To set an example, Ferriss offers readers a brief primer on his own history and achievements: he was born six weeks prematurely and held a series of odd jobs throughout his life including, but not limited to, a turn as a failed audiobook peddler as well as a summer stint as a cleaner at an ice cream parlor. Despite having a SAT score 40 lower than the average freshman, Ferris enrolled at Princeton with a major in neuroscience before switching to East Asian studies. While at school, Ferriss developed a knack for entrepreneurship, in turn providing a profitable outlet for his workaholic inclinations. Over the course of his time at Princeton he worked as a bouncer, developed and sold a speed-reading course, and was briefly employed by Berlitz, one of the world s foremost publishers of language learning tools.
