Lyle Stuart. Paperback. Book Condition: New. Paperback. 240 pages. Dimensions: 8.1in. x 5.5in. x 0.8in. Phil Hellmuth, Jr. , winner of nine WSOP titles and author of *Play Poker Like the Pros* Blackjack is definitely a game that you can make money playing, and this book shows you how to do it! Blackjack is by far the most popular casino table game. The reason is because it has the lowest house edge. While other table games give the house a minimum 3 edge, blackjack provides close to even odds for players willing to learn what is called basic strategy. And for players who are able to learn card counting, blackjack is actually a beatable game. But the reality is that out of the millions of people who play blackjack, only a small percentage will take the time or make the effort to play perfect basic strategy. And very few players will take the time to learn card counting. Most of those who do will ultimately fail in a live casino environment. So what's a reasonably intelligent person to do? Among the blackjack books available today, few take readers beyond basic strategy, and of those that do, virtually none balance the necessary level of detail with a simple approach that is easily understood by everyone (not just math whizzes and autistic savants). **BLACKJACK: PLAY LIKE THE PROS** is a comprehensive and easy-to-understand guide to playing and winning at blackjack. John Bukofsky, an expert player and card counter with over twenty years experience provides readers with clear and engaging instruction in everything from the basics of game-play and strategy, up to and including card counting at the professional level. In it, readers will find: A step-by-step approach that is easily understood by both beginners and serious players looking to take their game to a higher...
