Little, Brown Book Group, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. Forensic expert Professor Nick Fennimore has engineered lectures in Chicago and St Louis - a ploy to get to Detective Chief Inspector Kate Simms. She s in the United States on sabbatical with St Louis PD, and he s keen to see her again. Simms is working with a `method swap team, reviewing cold cases, sharing expertise. But Simms came to the US to escape the fallout from their previous case - the last thing she needs is Fennimore complicating her life.A call for help from a sheriff s deputy in Oklahoma seems like a welcome distraction for the professor - until he hears the details: a mother dead, her child gone - echoes of Fennimore s own tragedy.Nine-year-old Red, adventuring in Oklahoma s backwoods, has no clue that he and his mom are in the killer s sights. Back in St Louis, investigators discover a pattern: victims - all of them young mothers - dumped along a 600 mile stretch of I-44. The Oklahoma and St Louis investigations converge, uncovering serial murders across two continents and two decades. Under pressure, the killer begins to unravel, and when a fresh body surfaces, the race is on to catch the I-44 killer and save the boy.
