A benefit of having a serious relationship is supposed to be the ability to give and receive sex anytime we want. But if this were true, why is sex so hard to come by? As Kelly Wilson traveled from her thirties into her forties, she found herself in her sexual prime, much to the chagrin of her spouse. Her late-blooming loin fire created tension - sexual tension - when she discovered her spouse was not a machine made to coddle her every whim. In an attempt to satisfy her overheated loin spark, Kelly has made several awesomely terrible statements to her beloved husband of more than twenty years. She was surprised to discover that some of these statements actually worked. Frustrated and desperate, Kelly channeled much of her sexual energy into perfecting these humorous methods of getting the sex that she needed. In Kelly Wilson s The Art of Seduction: Nine Easy Ways to Get Sex From Your Mate, the author shares with you, dear reader, effective and humorous strategies to help you get the sex that you need. Because good sex can be hard to come by.
