Reviews

This book can be worthy of a read, and much better than other. It usually fails to charge a lot of. I realized this publication from my dad and i encouraged this pdf to understand.

(Prof. Flo Cruickshank DDS)

SHAKESPEARE S LITERARY AUTHORSHIP (PAPERBACK)

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2012. Paperback. Condition: New. Reissue. Language: English . Brand New Book ***** Print on Demand *****.Re-situating Shakespeare as an early modern professional, in this book Patrick Cheney views him not simply as a man of the theatre, but also as an author with a literary career. Rather than present himself as a national or laureate poet, as Spenser does, Shakespeare conceals his authorship through dramaturgy, rendering his artistic techniques and literary ambitions opaque. Accordingly, recent scholars have attended more to his innovative theatricality or his indifference to textuality than to his contribution to modern English authorship. By tracking Shakespeare s counter-laureate authorship , Cheney builds upon his previous study on Shakespeare and literary authorship, and demonstrates the presence throughout the plays of sustained intertextual fictions about the twin media of printed poetry and theatrical performance. In challenging Spenser as England s National Poet, Shakespeare reinvents English authorship as a key part of his legacy.
