Reviews

An exceptional ebook and the font employed was fascinating to read through. I actually have study and so i am certain that i will likely to read once again yet again in the future. Your life period is going to be change as soon as you complete looking at this book.

KILGORMAN

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.By the death of Talbot B. Reed the boys of the English-speaking world have lost one of their best friends. For fourteen years he has contributed to their pleasure, and in the little library of boys books which left his pen he has done as much as any writer of our day to raise the standard of boys literature. His books are alike removed from the old-fashioned and familiar class of boys stories, which, meaning well, generally baffled their own purpose by attempting to administer morality and doctrine on what Reed called the powder-in-jam principle-a process apt to spoil the jam, yet make the powder no less nauseous; or, on the other hand, the class of book that dealt in thrilling adventure of the blood-curdling and penny dreadful order. With neither of these types have Talbot Reed s boys books any kinship. His boys are of flesh and blood, such as fill our public schools, such as brighten or make hay of the peace of our homes. He had the rare art of hitting off boy-nature, with just that spice of wickedness in it without which a boy is not a boy. His heroes have always the charm of bounding, youthful energy, and youth s invincible hopefulness, and the constant flow of good spirits which have made the boys of all time perennially interesting.
