Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In today's climate of moral decay and generational confusion, an unprecedented opportunity awaits those who will seize the moment. In Isabel Rose's work, *These Five Smooth Stones*, the author gathers the profound, time-tested elements that reshape mindsets and change cultures. Most know that there is no growth without change. It is also true that without trust, there is no growth. Within these pages, trust is restored to the weary soul. Faith in God is recovered, and belief is regained as the reader is reunited with faith. Each page is filled with edibles that deliver the power of superfoods in nutritional strengths like sacrifice, making right choices and the power of listening. Furthermore, each chapter challenges the reader to get real with themselves, whether it means walking out a concept through to completion, opening a new window of discovery, or getting in a good cry. A fresh awareness awaits eager eyes at the turn of every page. The images that emerge and the ideas that become visible will provide options similar to that of King David as he defeated Goliath. This time however, you are holding *These Five Smooth Stones* in your hands. All that is required is permission to launch, and when you do your giants will also be slain, freeing you to stand in the victory your heart so passionately craves. -J. Calvin Tibbs.
