## A WOLF AT THE TABLE (PAPERBACK)

Ebury Publishing, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. From the author: My father doesn't feature much in *Running with Scissors*. And one of the reasons for this is because he didn't feature much in my life. But there's another reason, too: Our relationship was so complicated, so dark, so confusing and so big, that to tell the story would require a book. So finally, upon the death of my father in 2005, I decided to tell the story I have been most afraid yet most compelled to tell. This prequel to international hit *Running With Scissors* tells the story of Augusten's relationship with his tormented father: a man who sent his wife mad and saw his other son run away from home, prior to Augusten going into foster care. Harrowing, insightful and amusing by turns.
