## THE ENGLISH AND SCOTTISH POPULAR BALLADS: VOLUME 3, PART 1.

Book Condition: New. Cambridge University Press, 2014. 276p. Paperback. Series: Cambridge Library Collection - Literary Studies. Harvard's first professor of English, the American scholar Francis James Child (1825-1896) had previously prepared a collection of English and Scottish ballads, published in 1857-9, before he embarked on producing this definitive critical edition. Organised into five volumes and published in ten parts between 1882 and 1898, the work includes the text and variants of 305 ballads, with Child's detailed commentary and comparison with...

### Reviews

---

*Extensive guideline! Its this sort of very good go through. I have got read and i am confident that i will gonna read through once more once more in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Joana Champlin**

*It becomes an remarkable publication that I have possibly go through. Better then never, though i am quite late in start reading this one. I am just delighted to inform you that this is basically the best ebook we have study inside my individual existence and can be he greatest book for actually.*
