Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Somewhere there s a letter that explains everything, a letter that was undeliverable. The true tale of a lost wagon train in 1845 entwined with the stark story of two second-oldest and certainly best friends. Do you really know anyone? The narrator s dangling matters only added to Matthew s issues, forcing an overdue visit and shocking revelations. Of a fabled gold mine, an awful childhood incident, a small city on a river few can spell, and the search for the greatest of gifts. Hope. Some peoples only currency is money. Blue Bucket has been called disturbing and utterly original. Like America, . . .stampeded, somehow settled, salted. Now may we retreat inland again --- Ocean ever near and Earth, in memory at least, unending.
