Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is a collection of reflections on Advent and Christmas, both as liturgical celebrations for the Christian churches and as a festive season for the popular culture. The 19th century revival of the popular celebration of Christmas within the English-speaking countries is explored. Also explored is the theme (from Charles Dickens s A Christmas Carol) of Christmas as an occasion of human ethical transformation, with the possibility of the Christmas celebration bringing out the best in those who celebrate it.
