Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Warren Buffett is undoubtedly the most successful stock market trader today. He is currently worth billions of dollars and his net worth is still on the rise. Many investors strive to be just like him, but sadly only a few of them are actually successful in emulating even a fraction of his success. What is the secret to Warren Buffett's enormous wealth? Does he have superpowers that allow him to see into the future and take stock of his investments? The truth may actually shock you because it is much simpler than you think. The reason why Warren Buffett was able to amass as much money as he did is because he is a value trader, and it is recommended that you become one as well. What is a value trader? Unlike other traders in the stock market, value traders do not really pay too much heed in what is currently happening in the marketplace, they are much more interested in the actual value of the stocks. Value traders take into consideration the strengths and weaknesses of the companies they plan to invest in, and this requires a lot of analysis and not too much guesswork. In this book, you will learn the techniques and mindset that Warren Buffett uses whenever he goes into trades. Even though it is not really guaranteed that you will be met with the same kind of success, you are assured to get some valuable insights on how to invest your money properly and ensure that you actually make money instead of lose it. Here you will learn how to determine the true worth of a company so you will have an easier time determining whether or...
