SELF-DISCIPLINE: LEARN HOW TO BUILD SELF-DISCIPLINE AND ACHIEVE ALL YOUR SET GOALS (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Do you wish to achieve all your set goals and stay happy? If yes, then this book is for You! On daily basis, you have set goals which you wish to achieve. It is important to note that for you achieve these set goals, you need to be self-disciplined on daily basis. In addition, for you to build daily self-discipline, you also need to incorporate various everyday habits and daily exercises in your routine. This is important because what differentiates the successful people from the unsuccessful ones is the extra efforts applied in the pursuit of their goals. If you want to be successfully, you should do the same. Remember that the extra efforts they applied required the mental instinct and the willpower instinct. If you develop it, it will give you the needed power to remain steadfast until you conquer any of your goals. With the right mindset: this means changing from within, you will know why it matters to remain self-disciplined. Remember that the why is important to keep you moving. You will also know how self-discipline works and what you can do to get more of it. With this knowledge, you are unstoppable when it comes to achieving your goals. Likewise, the extent of your self-discipline determines the level you will reach in life. Whether you apply one or various methods of building self-discipline, what is important is that you overcome the obstacles that interfere with your set goals. Once you overcome, you can conquer any of your set goals because the initial success will propel and build up your self-control. This of course leads to self-discipline. Moreover, it will give you the mental toughness and positive mindset needed...
