Reviews

This ebook is very gripping and intriguing. I have got read through and i also am confident that i will gonna read through yet again again down the road. Its been written in an extremely straightforward way and it is merely right after i finished reading this book through which actually altered me, alter the way i really believe.

Hodder & Stoughton General Division. Paperback. Book Condition: new. BRAND NEW, The Juliet Stories, Carrie Snyder, 'a coming-of-age tale about the painful and wonderful experiences of motherhood.a compelling novel told in the most beautifully crafted way, and the frequent lapse into disjointed stream of consciousness renders the style close to that of Eimear McBride's A Girl is a Half-Formed Thing. It is a wonderful rarity when a book leaves you so profoundly affected' - We Love This Book Shortlisted for Canada's Governor General's Literary Award and selected as a Globe and Mail Top 100 Book. Juliet Friesen is ten years old when her family moves to Nicaragua. It is 1984, the height of Nicaragua's post-revolutionary war, and the peace-activist Friesens have come to protest American involvement. In the midst of this tumult, Juliet's family lives outside of the boundaries of ordinary life. They've escaped, and the ordinary rules don't apply. Threat is pervasive, danger is real, but the extremity of the situation also produces a kind of euphoria, protecting Juliet's family from its own cracks and conflicts. When Juliet's younger brother becomes sick with cancer, their adventure ends abruptly. The Friesens return to Canada only to find that their lives beyond Nicaragua have become the war zone. One by one, they drift from each other, and Juliet grows to adulthood, pulled between her desire to live a free life like the one she remembers in Nicaragua, and her desire to build for her own children a life more settled than her parents could provide. With laser-sharp prose and breathtaking insight, these stories herald Carrie Snyder as one of Canada's most prodigiously talented writers.
