Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.True Believers International Version Study Bible gives a comprehensive interpretation of the Holy Scripture. This study Bible retains the name Allaha [God] as used in original Aramaic texts. AKJV of 1611 translated Allaha as God . But Allaha is unique in that it has no feminine gender (like Goddess) or plural (like Gods) or different levels (like GOD and God and god). Therefore the unique name Allaha is retained to refer to God the creator. Generally accepted Chapter and verse numbering scheme is used for easy comparison and reference. This is the result of years of in-depth research. Difficult sentences have been simplified. Context and meaning of verses are explained. Repetitive or irrelevant details have been condensed. This study Bible will contribute to the understanding of Holy Scripture in the larger context of today s multi-cultural world.
