

The Real Heal: Genesis vs. Genetics: Why Medicine Can Never Divorce Energy from Healing (Paperback)

By Amanda Soulvay Plevell Phd

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.We find ourselves as never before at a pinnacle of healthcare for all humanity. Not only is it seen daily that current systems and models of thinking beg for more truth, accuracy, and result, but because of this lack are more and more people looking to alternative and/or complementary options. More and more people are also reporting more and more illness and less and less happiness. Drug use, both street and pharmaceutical, is an epidemic. Depression, anxiety, obesity, and nutritional diseases are also epidemic. Science still wishes to separate and exclude even though people are taking it upon themselves to take their health matters into their own hands. If we want safe, effective regulations of health care, we must look again to the age old conflict between science and creation, and how it has been proven over time, theory after theory, that science and theology, or energy, cannot be separate. This paper summarizes some of the many theories that have pointed arrows to the eventual result: that Science cannot divorce energy from healing. The health of the world and its inhabitants depends...
