BLACK DECKER WOOD FLOORS: HARDWOOD - LAMINATE - BAMBOO - WOOD TILE - AND MORE (PAPERBACK)

DOWNLOAD

Cool Springs Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. BLACK+DECKER Wood Floors is the definitive DIYers guide to everything you need to know about installing, repairing, and maintaining wood, engineered wood, and laminate floors. Solid wood, engineered wood, or laminate floors can enhance the beauty of any room in a home. Wood creates visual warmth, is available in a wide variety of colors and grain patterns, and is durable enough to last a half century or more when installed and maintained properly. While home interior trends change, and some of the flooring options may come and go with them, but the popularity of wood flooring does not wane. And now, with BLACK+DECKER Wood Floors, DIYers with moderate tool skills can tackle a wood-flooring project and enjoy the cost savings that go along with their successful efforts. This intuitive guide covers all phases of basic wood, engineered wood, and laminate flooring installation--from preliminary surveys of flooring choices, tools, and prep work through finishing and reinstalling trim. Of course, not all wood-flooring situations require removal and replacement. Amateur home remodelers will appreciate a chapter devoted to repairing and restoring existing wood flooring.
