### THE SEEKER

John Dalessio. Paperback. Condition: New. 160 pages. Dimensions: 8.5in. x 5.5in. x 0.5in. Some 13 billion years ago, theory had it that all of the matter and energy of space was at a single point. The Big Bang was an explosion of space within itself with all the particles of matter traveling away from each other expanding endlessly in every direction, thus creating what we now know as the Universe. From the very beginning of recorded history to modern day, people...
