

School Renewal: A Spiritual Journey for Change

By Torin M. Finser

Anthroposophic Press Inc, United States, 2002. Paperback. Book Condition: New. 215 x 137 mm. Language: English . Brand New Book. As a result of today s crisis in education, people are beginning to realize that schools involve far more than providing children with knowledge and skills. Schools are communities and, like all communities, may be healthy or unhealthy. School Renewal addresses the problems and challenges of a school community. Through the use of fairy tales, myths, and the personal experience of Waldorf education, Torin Finser describes how both teachers and parents can come to grips with common problems such as burnout, interpersonal conflicts, and the traps of routine. Most important, the author stresses that an educational community must come to terms with the many unseen dimensions of each individual. He shows how these little-understood aspects of the mind can be cultivated and nourished to keep the school and education alive. School Renewal does not offer formulas and slapdash solutions. Rather, it encourages a whole new way of thinking about education and personal growth - for children and for the adults who care about them. . .if one wish could be granted me on behalf of school renewal, I would ask...

Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

A top quality ebook and the typeface used was interesting to read through. It is really intriguing through reading through period. You won't feel monotony at anytime of the time (that's what catalogues are for relating to when you ask me).
