

The Historical Pivot: Philosophy of History in Hegel, Schelling, and Hvllderlin (Hardback)

By William Andrew Behun

Triad Press, United States, 2006. Hardback. Book Condition: New. 226 x 160 mm. Language: English . Brand New Book ***** Print on Demand *****.This work undertakes to demonstrate an emergent form of philosophy of history in German Idealism and Early German Romanticism, particularly focusing on the works of Hegel, Schelling, and Holderlin. For these thinkers, history comes into its own as a topic of philosophical investigating. Breaking with the static historicism of the Enlightenment, German Idealist and Early German Romantic thinkers posit the idea of a constantly developing and emerging history and of the historical character of reality itself. The philosophy of history that comes out of the tradition of German Idealism as expressed by Schelling, Hegel and Holderlin is deeply rooted in mythology, particularly the idea of a Golden Age, which is both past and future.

Reviews

An extremely awesome pdf with perfect and lucid reasons. I have got go through and so i am certain that i will going to read again once again in the foreseeable future. I found out this ebook from my dad and i recommended this publication to understand.

-- **Angela Kassulke**

Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
