Lulu.com, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Innocence AND Guilt of Steven Avery is for people looking for the truth in this controversial brutal sex crime. It is also for Netflix viewers who have heard only sound-bites and have seen only 10 hours of the subjective, biased Making a Murderer movie. Chapter 1 tells about Avery s wrongful conviction for a crime in which he was completely innocent. Instead of watching Making a Murderer, people seeking the truth in this case should spend 10 hours finding the facts and the real evidence by reading the easily available transcripts and court records about this case. Then decide who killed Teresa Halbach.
