These stories are about a rescued dog and her adjustment to her new home in mid-Missouri. She has to learn to trust again, learn manners, and make new friends. Exploring her new home is the adventure for her. Notes From The Author (As An Educator) These are everyday fun stories for children who live in today s world. I wanted to read about the interesting pictures in my mother s housekeeping magazines and about the wild animals and stories in National Geographic and the stories in the Reader s Digest. I KNEW there were so many interesting stories to read. Any word I did not know I knew someone knew about it....
