*It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## THE ROAD TO A COLLEGE EDUCATION

AuthorHouse. Paperback. Book Condition: New. Paperback. 108 pages. Dimensions: 9.1in. x 6.2in. x 0.3in. My passion is that information must be shared with parents and students about the opportunities to attend college through grants, scholarships, fellowships and work-study. The family must understand the importance of early preparation (consistent study habits), good grades and completing applications for funds by the deadlines. The opportunity to obtain a free education, with a present and future (work) position, is highly possible. HEAR WHAT OTHERS HAVE TO SAY ABOUT THE ROAD TO A COLLEGE EDUCATION. Arkansas Governor Mike Huckabee said of The Road to A College Education: As I helped pack the last of my three children off to college in the fall of 2000, I was realizing that getting ready for college is a family affair--the student has to choose the school, the course of study, and a roommate, but the parents have to think about how to afford it and cope with the departure of that special gift from God who is moving out for more than a summer camp. My friend, Rubye Graham-Emerson, has prepared a simple yet helpful book that gives some driving tips along The Road to A College Education. I hope you'll enjoy the trip! Rubye Graham-Emerson has dedicated herself to young people. Her book, The Road to A College Education, is but one product of that dedication. This book provides the practical information needed to equip parents, teacher, counselors, pastors and youth workers in their work of providing hope for and a plan for higher education. I commend it to you. U. S. Senator Y. Tim Hutchinson, (R-Ark. ) Isn't it ironic that self-sufficiency originally starts with support from others This book does a wonderful job proving that point as it explores the important roles parents, the home environment, the schools...
